ASSIGNMENT

This Assignment made by Gregory Duane Ellis of Orem, Utah to Auction Video, Inc., a Utah Corporation, Assignee, having a place of business at 51 West Center, Orem, Utah 84057.

WHEREAS, Assignor has invented a new and useful REMOTELY ACCESSED VIRTUAL RECORDING ROOM for which an application for United States Letters Patent has been executed by him this day; and WHEREAS, Assignor believes himself to be the original first inventor of the invention disclosed and claimed as filed on March 24, 2004, and assigned U.S. Serial No. 10/808,894; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said invention, said application, and any Letters Patent that may be granted for said invention in the United States and throughout the world;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, the entire right, title and interest in and to said invention, said application, and any Letters Patent that may be granted for said invention in the United States and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, they and their legal representative(s) and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing Letters Patent in the United States and throughout the world for said invention, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to said invention, said application, and any Letters Patent granted for said invention in the United States and throughout the world.

Assignor represents and warrants that he has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for said invention, whether on said application or on any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in said invention.

IN WITNESS WHEREOF, Assignor has executed this Assignment on the
dates written hereinbelow.

PATENT ASSIGNMENT

This Patent Assignment (the "Assignment") is entered into this February 28, 2007, by and among AUCTION VIDEO, INC., a Utah corporation ("Assignor") and AV ACQUISITION, INC., a Florida corporation ("Assignee").

In connection with the consummation of the transactions contemplated by that certain Asset Purchase Agreement dated February 28, 2007 (the "Purchase Agreement"), the Assignor has agreed to assign to the Assignee all of the Assignor's right, title and interest in and to certain business intellectual property, including all patents, patent applications and inventions and discoveries that may be patented as listed on the attached Schedule A (collectively, the "Patents").

In consideration of the Purchase Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

- 1) All capitalized terms used but not defined herein shall have the respective meanings set forth in the Purchase Agreement.
- 2) The Assignor hereby assigns to the Assignee all right, title, and interest in and to the Patents. All rights and privileges will be held and enjoyed by the Assignee and its successors and assigns.
- 3) The Assignor agrees to execute and deliver simultaneously with the execution of this Patent Assignment, and at any future date, any additional documents that the Assignee, or its successors or assigns, reasonably determines are required to perfect the Assignee's ownership of or title to the Patents.
- 4) The Assignor authorizes and requests the United States Patent and Trademark Office and any other official throughout the world whose duty is to register and record ownership in, and applications for registration of the Patents, to record the Assignee as the assignee and owner of any and all of the Assignor's rights in the Patents.
- 5) This Patent Assignment, and the rights and obligations of the parties hereunder, shall be governed by, and construed and enforced in accordance with, the laws of the State of Florida, without regard to the conflicts of laws provisions thereof.
- 6) This Patent Assignment may be executed in one or more counterparts, each of which shall be deemed an original and all of which taken together shall constitute a single agreement.
- 7) Each person executing this Patent Assignment expressly represents and warrants that he or she has full power and authority to do so.

IN WITNESS WHEREOF, the parties have executed this Patent Assignment as of the date first above written.
